# Sanderson

Sanderson's Waterperry collection embodies a relaxed, impressionistic painting style, inspired by the horticultural finesse found in British country gardens.

Capturing the serene nature of these tranquil spaces the Waterperry fabrics and wallpapers display an abundance of breathtaking, spontaneous designs that feature a diverse assortment of flowers, plants and trees.

These beautifully hand drawn and painted designs are complemented by the crisp, fresh patterns of Bay Willow fabrics and three charming plains; Cherwell, Helena and Arley.

A selection of paints from the Shades of Sanderson range are suggested throughout for an effortlessly elegant interior.
